

# VALUE SERIES

**SAVE \$6995!**

## **BUILD YOUR NEW HOME FOR LESS**

The Value Series are specific features that are normally standard on our homes, but if a customer chooses, standard items can be deleted to substantially lower the cost of a new home. This is just another example of the *flexibility* at Taylor Homes and how we continue to look for ways to create the most affordable stick-built homes without sacrificing quality.

The Value Series offers the following, in lieu of the standard features.

- Chrome fixtures only
- Unfinished garage
- Garage door opener not provided
- All vinyl exterior with OSB sub-siding
- Eliminate vent in gable
- Eliminate Tray Ceiling
- No ceiling fans provided (standard overhead lighting remains)
- Standard door knobs only
- Appliances not included
- 1 year whole house warranty
